Chennai, India

Over 1.5 years in graphic design. Currently, I'm a freelance web developer at Upwork, transforming innovative designs into dynamic web experiences."

Work Experience

Freelance Web Developer

October 2023 - Present

@ Upwork

Graphic Designer

May 2022 - October 2023

@ BrandPro Events & Promotions

- Developed graphic designs for a wide range of clients, ranging from small businesses to large corporations
- Created innovative designs that effectively communicated the brand's message to target audiences.
- Developed responsive and user-friendly websites using HTML5, CSS3, JavaScript, and modern frameworks like React.js
- Collaborated closely with design and UX teams to translate wireframes and prototypes into pixel-perfect, intuitive interfaces.
- Conducted thorough testing and debugging across multiple browsers and platforms to ensure seamless performance and accessibility compliance.
