Chennai, India

"Over 2 years in graphic design. Currently, I'm a freelance web developer at Upwork, transforming innovative designs into dynamic web experiences."

Work Experience

- Freelance Web Developer** (June 2024 - Present)
@ Upwork
 - Developed responsive and user-friendly websites using HTML5, CSS3, JavaScript, and modern frameworks like React.js
 - Collaborated closely with design and UX teams to translate wireframes and prototypes into pixel-perfect, intuitive interfaces.
 - Conducted thorough testing and debugging across multiple browsers and platforms to ensure seamless performance and accessibility compliance.
- Graphic Designer** (May 2022 - June 2024)
@ BrandPro Events & Promotions
 - Developed graphic designs for a wide range of clients, ranging from small businesses to large corporations
 - Created innovative designs that effectively communicated the brand's message to target audiences.
